Won't Know What to Do with Myself Won't Know What to Do with Myself is the debut studio album by American rapper Pusha T. It was released on June 15, 2007 under G.O.O.D. Music and record labels, No I.D. Music and So Def Recordings. Its production was handled by No I.D. and Nottz with the majority of the album produced by No I.D. Music associates Kanye West and Andre Darion. The album was originally scheduled to be released in March 2007, but in an interview with MTV News, Kanye West stated that it was pushed back to June 15, 2007 to "be more mainstream" and that he liked the idea of releasing the album during the "Appetite for Destruction" Tour. On October 15, 2007, the album debuted at number 23 on the Billboard 200, selling 20,000 copies in its first week. The album features production from No I.D. Music affiliates Kanye West, No I.D., and Andre "No Yakuza" Darion, as well as Kanye West's assistant producer, The Legendary Traxster. It also includes features from artists such as Wale, Waka
