A: Yes, it's a fake download site. The download link itself is valid and would download the binary, but it just points to a different server which does not exist. Always try to download the official version from not from a third-party website. A: Yes, it's a fake download site. The link is fake and does nothing. By definition "It means the web page is a phishing site" All the links on this site are our work and we have no need to use fake links to get around. If you come across any fake links on this site, you can simply notify us and we would give you a valid link to download the software. Try downloading the software from the official Download Link given here A: It is a scam and has nothing to do with IKCsoft. Q: Does $\int_{-\infty}^{\infty} x e^{-x^2/2} dx$ converge? I thought the answer was Yes because $\int_{-\infty}^{\infty} x e^{-x^2/2} dx = \int_{-\infty}^{\infty} x e^{-x^2/2} dx$ and since the RHS converges (Riemann-Lebesgue theorem), the LHS must also (I think). A: According to Wolfram, the integral diverges. See its numerical results here. A: The integrand is zero if $x > 0$ and $\int_{-\infty}^{\infty} x e^{-x^2/2} dx$ explodes when $x \rightarrow -\infty$. Therefore your integral will be $-\infty$. Hence the integral does not exist. Q: Cannot Override Constructor My program is a simple assembly Language interpreter I was trying to pass in multiple constructors I want to make a new constructor that takes in arguments and has defaults set Here is my code class Processor { int i = 0; public Processor() { i = 0; } public Processor(

This is a reminder that the Enron Travel Club Social Dinner Series (EB47C1) reservations are rapidly approaching their respective deadline (Tuesday, December 11th). To make your reservation, please call the ETS General Reservations line at 713-853-1711, option 5. Please take this opportunity to review the attached itinerary to the Social Dinner to ensure accuracy, as incorrect information may result in a \$75 per person charge to cancel or change your reservation. There are only a handful of tables left for the holiday party. Please contact me if you have any questions. Cindy Olson Executive Flight CoordinationParadise Lost: Diamond Heist by E. C. Myers Description Diamonds are pretty, expensive, and for centuries have symbolized wealth, prestige, and power. For nearly three centuries, the fastest way to get to the top of any list has been to steal a diamond. Now, in the land of Paradise Lost, a mysterious couple, both addicted to wealth and wanted for theft and murder, may hold the key to a diamond heist that takes the entire continent hostage. Rich and wealthy, no one suspects Forty-four-year-old Sir Terrence Laxton loves his wife more than he loves gold. But when a priceless gem has been stolen, the local courts call upon the Duke of Lismore's Worth and Viscount of Kimberley to find the stolen gem and lead the charge to recover it. The thief, Amanda Lee, claims that she stole the diamond in self-defense, but the Duke of Lismore isn't about to take any chances. Now the Duke of Lismore and Viscount of Kimberley must cross the desert, cross the mountains and the Sahara, enter an area of battle-torn outlying empire, and go up against the dangerous and ruthless thief, Amanda Lee. In the Arabian Nights, we find the story of Sinbad and the Pearl of Magic. In the modern modern world we find the story of Amanda Lee and the Lost Diamond. 3e33713323
