

Prentice Hall Press, 10/01/2001. Hard cover. Acceptable. 1.2205 x 11.1811 x 8.6614 in. This is a used book. It may contain highlight/underline. Underlining is one of the highlighting options in text. Watch how keywords stand out in the book. In some books, words or phrases in a font such as italics or bold may constitute a separate paragraph. Visual illustrations will help you understand how to best emphasize words, as well as what the most common selections look like. In this book, I also go into detail on how to highlight or remove bold or italicized words in text.
