story told in fragments, touching on the various aspects of life in a fantasy world. • Story of a Fantasy World Based on the Classic Literature by JRR Tolkien A quote from the development Team:"The game uses a dynamic character screen when you create the character, allowing you to choose his design, voice, voice range, and other details. We also made a campaign mode that lets you change your party and experience an interesting, dynamic story. With the new system, we expect to implement a multitude of new features and a large amount of content." ★ SUBSCRIBE for FREE CLICK HERE – goo.gl/MJe2Tj & thank you for your support of GAMES MOVE ON. ★ HIVECHAT: Meet the team for "Lands Between: Tarnished", an ambitious fantasy action RPG in development for PC. Hey everyone, this is Jirard. I'm a producer at Games Move On. I work with the team to bring you content on our YouTube channel. I joined the team because I love Tarnished.

I've been following the project since the start and had the privilege of being able to play the game before the official release. Tarnished is very ambitious, it's a fantasy action RPG, set in a vast open world, it has a unique and complex story where multiple characters intertwine and the main character is

■ A HACK AND SLASH BUNDLE COLLECTION The indie game developer TUJI released a huge collection of hack and slash games in the autumn of 2017. Now that it's time to prepare for the release of the sequel to this package, we wanted to share with you the games that made it into the bundle. ■ TERA The term "TERA" literally means "holy" in English. The anime-like game enjoyed great popularity for a time. The game of course revolves around "holy" attacks. Check out the various difficulty levels from Easy through Inferno. ■ BELLS BELOW It is a survival horror dungeon game where you can enjoy horror and horrific elements in a system that lets you perfectly enjoy it with your friends, family, or people you like. ■ RAGE OF ARCHIMON Developed by the team that made the original "Bloodborne," you can enjoy the game that let you fight enemies

with weapons such as swords, clubs, and a spear. ■ RELLION In "Rellion," you can enjoy a turn-based battle game. You can use the characters' cooperation to win. ■ CHERIKA "ChuXiangJi" is the name of the title character in the game. She has a strong desire to fight with the "Sword of Chaos" in order to protect her homeland. ■ : An action RPG that turns the Soul Link System into a job system. The Soul Link System is the system that allows you to play as a party of 3 different units at the same time. ■ : The name ":" comes from the word "Counter" and has a unique battle system that is not found in other JRPGs. The great part about this game is that you have to change the battle system that is used in the active party, but you can change it for each battle without choosing any changes. ■ : "The King of Colosseum" is the leader of the strongest fighters of the world that you can meet with in the game. He has been chasing after the "Sun Orb,"

and the player that defeats him and brings it back to Skyla can choose that orb as their job. ■ : The MapleStory series is known for its high-quality environment, graphics,
