The Elden Ring is an action RPG where you select from among three races: Elvin, Dwarf, or Githyanki. The game is divided into three main stages: the adventure map, story map, and dungeon. In the adventure map, you can freely travel about, following the main story or searching for sidequests. In the story map, you can experience stories about the main character and interact with the inhabitants. In the dungeon, you can freely explore the world and discover the power that you were bestowed with. Dungeon battles are also a prominent part of the game. In combat, you can select a combination of weapons, skills, and gear, and fill your character's movement area with devastating attacks. You can continue to refine your skills even as you fight. The Trees The Lands Between are protected by the power of the trees. Using the power of the trees, Elden Lords can build strongholds and create fierce beasts, and become the guardians of the Lands Between. A Story of the Elden Lords and the Trees In the Lands Between, the Elden Lords seek dominion over the Knights of the Trees and the Elden Lands. Battle is waged between the Knights of the Trees and the Elden Lands for the right to lead. Githyanki Time and Space In Githyanki times, Githyanki culture reached its height. Githyanki technology was developed, the Old Labyrinth was built, and a vast continent was discovered. Pridegiver In the Githyanki age, the power of the Eternal beings rose, and the pridegiver's voice was heard in the heavens. They ordered that the guardians of the Elden Lands all be Elden Lords.

Yaser Esam Hamdi was arrested in Yemen in 2001, in Afghanistan in 2002, in Pakistan in 2002, and in 2004, and sentenced to 10 years in prison for “material support for terrorism” and related crimes.
