Operational Risk In case you didn't receive this

---

memo: As the Head of Risk Management, you are responsible for all aspects of our Operational Risk Management (ORM) capability. As a result you will be required to provide input into the preliminary design of our new Operational Risk Management (ORM) capability and conduct a System Sensitivity Analysis on each of your book-to-book ORM measures. Attached below is a worksheet for you to complete and return to Mary Solmonson, Elaine Schield, Sheila Glover and either myself or Shona Wilson. These should be your only ORM responsibility until such time as a Systems ORM new deal is done and implemented. We look forward to working with you. Bob Hall -----
