It has everything you need to create theÂ .Lady Gaga, a total Gaga, speaks with scarlet magazine about how she feels about America, her role in America and the violence of the world. “We live in a climate of extreme violence,” Gaga says. “And we all carry around that. We live in a time of divide. The world is divided. America is divided.” Lady Gaga: “This is one of the reasons I decided to dedicate my life to activism. I didn’t feel like I fit in anywhere.” Scarlet: How do you feel when you return to America? Gaga:I think America is a great country, and I love America. I grew up with an environment of extreme violence. I feel it in my blood. I have a lot of compassion for people. And my family is everywhere. So, America is a really special country to me. I feel I have a lot of home. Scarlet: Do you feel like you can transform, as others have done, into a role model for young women? Gaga:That’s a really hard question. I can’t give myself the title ‘role model’ because I’m not perfect and I’m not a role model. I’ve always had to fight to be comfortable with my flaws. I’m still fighting to be comfortable with them. I’m not really that comfortable with them. But I think there’s a lot of people who can feel uncomfortable with their flaws
