Last Edit: 2016-11-12T16:49:14+00:00 The EMU diorama is based on the EMU Winter Parka from The Final Countdown. I used a Blumkitt (this one) and scissors to cut the sleeves off the jacket, and used them as the sleeve for the coat. For the EMU's head I also used this costume from Zuludom: Thanks for the comment, Zambezi. And for all of your work, I need to thank you as well. I have found so much of myself in the creations you create, you've helped me grow in so many ways. It's been a pleasure working with you! Thank you for the positive comments. I'm glad I can help a bit, even though I wish I was there in person. I've been wanting to work with Zuludom's designs for a while, and now that his store is up and running, I hope he'll use me more!Q: How to have SSH access to the point-of-sale device(android) I am a Linux guru, and for some basic checking of things, I'm running linux on a VM. At the moment I'm stuck with
