Maya for Mac, X-force Keygen for. Šibenik (town) Sibenik (), is the second largest city and the administrative center of Sibenik-Knin County, in the southeast of the island of Šibenik-Knin, the Republic of Croatia. It is located in the region of Istria, at the northernmost point of continental Croatia. The name Sibenik comes from the Italian language, and means "small Bay". Its area is 22 km². As of 2011, the town of Šibenik had a population of 29,803. History Šibenik has been inhabited since the Roman age. The city stood on a hilltop that was easily accessible from the Adriatic Sea. While the area that is now Šibenik was under Rome rule, its name changed at least three times. It was called after the city of Zibenna, then called Zibenno, then finally Slavnica (in German: Slavnek). It is believed that Slavnica may have belonged to a Western tribe that crossed the Adriatic from the west during the days of early Rome. A Roman road ran from Zadar, and from Slavnica on to Venusia on the Adriatic sea, and over the city of Zadar. The old Roman town of Zadar was built on a peninsula, the old town of Šibenik on a hill and the new town on the bay. The year 931 is considered to be the first written date in Sibenik. It is a charter of Croatian ruler Petar Kotromanić giving away his property on Šibenik Bay. Š
