I have been browsing NZB files and looking for movies that I would like to download and I have a simple question what does some of these acronyms stand for in the movie file names. The basic ones I understand such as BDrip means blu-ray rip but what does the ones; TS LD, DTSHD, WEB-DL & WEBRIP mean What are these files and where are they getting them from, iTunes maybe, thus the word WEB-DL I guess I am just lost, can somebody explain these and other acronyms I am missing - Posted by u/rageagainistjg on Reddit. 5ec8ef588b
