Sign into your Express Account in the My Accounts section in the CC of the "Select facility" page. Once logged in, you can make deposits and set up payments through in-facility kiosks and a secure website. Payments by phone can also be made through our 24/7 customer support line. The only requirement is an updated computer and the ability to receive email. You can access the site in either Google Chrome or Firefox, without JavaScript. If you receive a page message telling you to download the Express App, click the button for instructions. You will be prompted to install the app after the page finishes loading. There is no longer any data management option available to individuals. Please update your computer if you do not receive an email stating that the system is not working. Deposit funds

with Stripe. This service covers over 75% of the worldwide market. In the spirit of innovation and customer experience, we guarantee that the money you deposit will be safe. Moreover, because we are based in the US, we are able to help you with all aspects of your start-up including credit card processing, data transmission, merchant accounts, invoicing, and invoicing. There are literally thousands of merchants using Stripe, and our partnership with PayPal gives us the ability to refer customers to them as well. We have four different enrollment options, two of which are instant. A project in Express Classroom must have a theme, but you can manage which components are being shared with teachers and students. If you share projects with teachers and students, you might want to protect content. Find out how to automatically publish projects with a free Black Light Security subscription. Unfortunately, we are unable to provide support for the Express Classroom in Adobe Connect. With Adobe Connect, we have a different level of support available from our Miva consultants. Learn more about the Miva Consultants on our website. Questions about Teacher Access Policy may be referred to
