plot: King lives in India, a poor man. He meets a very rich girl, and both fall in love with each other. The girl is against any contact. However, love overcomes all barriers. "Yes, but it's a completely different story," I remarked. - And what's the difference - surprised Lisa. - If he so wants, let him come to Moscow, and they will see each other. It's his choice. "But why can't he come?" I asked. "Well, he might just be scared," Lillian suggested. We don't know what he experienced there. Besides, he might be married. He's like... as if something could happen to him. - Yes, but he can refuse if something is wrong.
