EPUB.Northland residents will soon be experiencing some of the same flood recovery challenges being faced by Queenslanders, but with a potentially lessened impact. While

Government is spending millions in Northland, money will be harder to come by once the State budget is released. The West Coast is bracing for heavy rain and flooding as the remnants of a storm system move across the north. Northern Rivers Forester Ian Jimbo said it is unlikely that any significant river flooding would happen this week. "Any anticipated river flooding this week has been revised down and we're now looking at either heavy rainfall or a series of showers. "River levels are falling slowly as we've seen around the edges of the Gumbawallah coastal area." In Auckland, there are now flights available to assist Northland residents who may be affected by the flood. Flights are on offer for people whose homes have been

affected or who are otherwise stranded in flood-stricken areas. The affected areas are the Wairoa and Ahuriri Rivers, the Whangarei Harbour, parts 79a2804d6b
