The serial numbers are printed on the body of the piano, inside the piano case. The serial number on a piano is preceded by a column of 3 digits called the body number. From this it can be determined that the serial number on a piano is in the area of. USPTO grants a patent on auction theory - joseflavio ===== joseflavio Thanks for all comments and feedback. The rationale for this patent is to introduce the auction theory to the world of digital apps and services. There are lots of applications of the auction theory, like the selling of football tickets, to the online sales of rental cars, or to the app that helps people to get the best deal when renting their cars. We are looking to work more on this patent and we believe the theory has a lot of potential. Interpreting and (patho)physiologically exploring glycopept
