DVS February 2020 February 2020 - updated Feb 12 2020 - DVS has issued updates on their 2D and 3D CAD platforms, from their line of software, for the latest update of DVS 2019 and DVS 2018. How to find and buy a title number in music format, the song number, song code, credit, barcode. These are examples of how to find out. .A leak of more than 100 pages of recently-redacted presidential documents suggests that the “fast and furious” fiasco began with a White House request to the ATF — not the Justice Department — to create paperwork that would reflect Mexican cartel members’ higher-than-expected arrest numbers. The document release, which offers new details on the scandal, also indicates that the Obama administration did nothing to slow the flow of guns into the hands of Mexican gangs. The “Fast and Furious” operation has resulted in more than 2,000 deaths. Speaking of the Fast and Furious gun-running fiasco, Obama has denounced those who have been asking the questions of the administration. During a briefing with reporters last month, an administration spokesman dismissed the oversight push as unfounded and partisan, and Obama essentially brushed off questions about Fast and Furious at a press conference the same day. At the briefing, Obama was asked if he would recommit to an investigation into the gun-running program. “You know,” Obama said, “there’s a constant debate about how to best solve problems when it comes to crime, and how to prevent violent crime.” He also dismissed the revelations as inconsequential and “old news,” and his point was reinforced in his answer to a subsequent question about gun violence: “This is something we’ve been through a thousand times before.” President Obama’s answer to a follow up question on the “Fast and Furious” gun-running scandal, on the day it was reported that agents working with gun-runners released guns to Mexican gangs. Obama also kept quiet about two related scandals, which have proven just as explosive as Fast and Furious itself. Remember when it was discovered that the IRS had been targeting conservative groups? Well, we think it’s safe to assume that it didn’t just stop with conservative groups. But there was an investigation into the administration’s scandalous snooping — and its revelations have finally trickled down to the White House.
